PART 2 INTRODUCTION TO THE STAFF & THE SWORD MINISTRY & THE NET OF PRAYER

THE STAFF AND THE SWORD MINISTRY

The Staff and The Sword Ministry exists by the authority of Jesus Christ with the anointing and direction of Jesus to lay the foundation stones for His return. The Ministry is primarily an intercessory ministry. The Ministry is directed by the Lord Jesus Christ in all activities undertaken: whether the activities be prayer warfare in the Spirit, calls to prayer to avoid disasters, prophetic revelations, or simply providing for those in need. Chuck-JOHNEL Youngbrandt and Nancy-TONI Youngbrandt are the Ministry Prophets and are the Ministry heads. Much of what you will read here is direct revelation by Jesus to Chuck-JOHNEL, Nancy-TONI, or to other members of the Ministry leadership or members of the Net of Prayer.

THE NET OF PRAYER

Within the Staff and Sword Ministry we have the Net of Prayer (sometimes referred to as the N.O.P). The Net of Prayer is a prayer group established by Jesus for specific intercessory prayer and spiritual warfare prayer. There are on the order of some 500 members in the Net of Prayer. The Net of Prayer prays on a daily basis for various intercessory areas and needs as expressly directed by Jesus.

About Us

CALL & ANOINTING

The Staff and The Sword Ministry is just one of many established worldwide by Jesus. This Ministry has a special calling and anointing as being representative of the Body of Christ. As a result, the condition of the Body of Christ as a whole is felt by this Ministry and represented in and by our daily lives. We feel what the Body of Christ feels. We are as the Body of Christ is. This can be a heavy burden at times, but we do what we must as we are able. We have no argument or conflict with any other ministry, but it seems others, at times, have disagreement with us. This is to be expected in that none of us are perfect or without sin. So please read on with an open heart and mind leaving judgement to God.

ABOUT THIS WEBSITE

Jesus' Direction: In 2006, Jesus directed Chuck-JOHNEL to establish a website and maintain it. This is that website.
