PART 4 PROPHECIES FULFILLED *By* **Chuck-JOHNEL Youngbrandt**

PROLOGUE

*This section contains a listing some of the things that I/We have prophesied or understood through Jesus' Word/Revelation would come to pass **that have already come to pass**. Please note that I say "I/We" here because my wife (Nancy-TONI) and I are both Jesus' Prophets, thus The Staff and The Sword Ministry is a joint ministry in Jesus Christ.*

While there is much that the Lord Jesus has revealed that has already come to pass, there is also much that is yet come but is, none-the-less, visibly moving towards fulfillment.

PROPHECIES FULFILLED

Some of the things (40 or so) that have already come to pass are as follows:

- Yom Kippur vision of 1973: Israel defeats Egypt and Syria.
- Economic accord between Japan and Red China in 1977.
- Rise in inflation and bank interest rates from 1978 to 1980.
- Hurricane David in 1980.

About Us

- d. 6.7 magnitude in Alaska
- e. 3.3 magnitude in Cleveland, Ohio on June 30.
- Projected for a major hurricane in July 2005 to form sometime after August 15, 2005 (Hurricane Katrina, August 22, 2005).
- Projected in 2003 that an economic trouble would begin March 2004 and that the trouble would only get worse with time. The price of gasoline rose sharply that month and has gone up ever since.
- Projected in 2005 that, starting after April 2007, the housing market would decline and eventually collapse. As of October 2008, not only has the housing market suffered a sharp decline, it has all but collapsed.
- Warned President Bush that America would take a sharp turn downwards after May 2007, eventually leading to the collapse and dissolution of the entire nation. The decline of the dollar, sharp rise of gold prices, the continued rise of gas prices, decline of housing market, and the rise of inflation started in earnest in 2007 and continues unabated. The economic crisis that surfaced in October 2008 is a stunning indication of this.
- **IRAN A NUCLEAR POWER:** In a 1983 vision, Jesus revealed that Iran would become a nuclear power. In that same vision, Jesus revealed that Iran would eventually attack (nuke) a gathering U.S. Army in the Persian Gulf region, destroying the heart of the U.S. Army in one blow and igniting the Saudi Oil fields at the same time.
- **A CALL TO ARMS:** Following Jesus' 1979 revelation of a Soviet plan to trigger Nuclear World War III, Jesus commissioned the Net of Prayer (from 1981 to 1982 to move IN THE SPIRIT to demolish that demonic plans to start this war. The on-going work of prayer/intercession and STRATEGIC SPIRITUAL WARFARE (from 1982 to 1989) culminated in 1989 with the destruction of the spiritual foundations of the Soviet Union. The Soviet collapse (from 1989 to 1991) would eventually free some half-billion living souls from godless domination.
- **ISLAM:** Beginning in 2001, the Net of Prayer undertook a major prayer/intercessory operation to obtain God's Commission and Anointing in Christ to destroy the spiritual foundations of the Islamic Empire and to free the more than 1.5 billion living souls from that captivity through Christ Jesus and in His Name. The Net of Prayer was commissioned in early 2007 and moved IN THE SPIRIT waging STRATEGIC SPIRITUAL WARFARE against Islamic demonic power and shattered it. Although this remains an on-going work, we are already seeing the first fruits of this work of prayer, as it is now being reported that millions of Moslems are being touched by Jesus directly and coming to the saving knowledge of Jesus Christ by His Spirit.
