“God is our refuge and strength, a very present help in trouble. Therefore we will not fear, though the earth should change, and though the mountains slip into the heart of the sea; though its waters roar and foam, though the mountains quake at its swelling pride.” (Psalm 46:1–3 NAS).

PART 1 **PROLOGUE**

MONSTER EARTHQUAKE!

This section details a vision that the Lord Jesus shewed me of a MONSTER EARTHQUAKE that will strike the midwest (centering-in on the greater Chicagoland area and Lake Michigan). The vision was given over a series of times and days from July 2, 1973 through July 5, 1973. I saw the events given in the vision from various vantage points.

OTHER PROPHETS & OTHER VISIONS

Currently I've been told that there are at least ten other prophets in the U.S. who have been given this vision of this destroying earthquake—the same MONSTER EARTHQUAKE that JESUS revealed to me in July 1973—some 35 years ago! I personally know of one prophet (Rev. Dr. Daniel Bohler) who has been given the same vision in more recent years.

Back in the 1980s, I personally met a considerable number of brethren who had been given visions of this terrible earthquake and flooding. The Lord our God has not hidden this danger from His everyday people in the Church. However, by and large, the these visions have been and continue to be rejected by the Church leadership. More, the Church leadership has not (and will not) call for repentance and concerted prayer-intercession about this.
