PART 1 PROLOGUE

INTRODUCTION

Here in this series of documents, I present a selection from the letters that Jesus had me write to the Presidents of the United States of America from 1979 to 2008. Going forward, as Jesus so leads and directs me, I may write more letters that may included here. From time-to-time, You may wish to check back to see if more letters have been included.

Where it seems appropriate, I will share how Jesus revealed these things and will attempt to explain the outcomes.

Jesus has given me the capacity to see both “NEAR AND AFAR”—a capacity that was difficult to grasp much less to be able to sort things out. Some of what Jesus had me tell these Presidents did not always pertain to the President who was/is in the office when the Word or Revelation came.

Letters to the Presidents

There are some things Jesus told me that have yet to be fulfilled. Other things have come into focus. Still other things have already come to pass. Much, however, remains to be fulfilled. These letters have largely been notarized or more recently time dated via the U.S. Post Office date stamp on postage fixed to the letters.

God bless,

Chuck-JOHNEL
