Letters to the Presidents

President George W. Bush
The White House
Washington, D.C.

Dear Mr. President,

Blessings and peace to you in Jesus' Name!

In a little less than four months you will leave the White House. On JESUS' direction I have been writing you for the past 8 years and so my assignment to offer you the Counsel of God is also coming to an end.

Only as a reminder Mr. President: On September 7, 2006 JESUS directed me to write you on the 16th of each month, for ten months, up to and including May 16, 2007 reminding you of the opportunity to escape this war trap. This opportunity ended May 16, 2007.

Again, as a reminder, this is what JESUS said in this regard: JESUS' Word to Chuck-JOHNEL September 7, 2006: “ . . . **AFTER THE TENTH MONTH ON THE 16TH DAY OF THAT MONTH FROM THE TIME OF MY WORD, EVENTS WILL BEGIN TO ACCUMULATE AND SWELL INTO SERIOUS TROUBLES THAT WILL OVERWHELM THE UNITED STATES IN MANY RESPECTS LEADING TO A COLLAPSE IN A VERY SHORT PERIOD OF TIME ON MANY FRONTS AND IN MANY ENDEAVORS. THIS WILL BECOME AND LEAD TO THE BEGINNING OF THE END OF THE UNITED STATES. THEREAFTER NOTHING WILL PREVENT THIS FROM CULMINATION.**” Thus saith the Lord.

On April 10, 2007 I asked JESUS a question concerning a personal matter and He spoke to me saying this: “**MAY 16TH THINGS WILL START TO HAPPEN.**” I immediately understood He spoke of this issue, not mine, and asked, “Lord, what will happen?” JESUS replied simply saying: “**WATCH AND WAIT.**”

At that time (May 16, 2007) the financial condition of Bear Stearns began to deteriorate and it would collapse by early 2008.

In that JESUS said “**WATCH AND WAIT**” I kept track of what did develop and of some of the things that started to happen. This is a detail (below) of the things that started to happen:

THE TV NEWS OF MAY 16, 2007

1. STORMS heading east to Massachusetts and New York (possible tornadoes).
2. FIRE STORM in NEW JERSEY—2,500 homes evacuated as 13,000 acres of forest burn.
3. Rev. Jerry Falwell remembered today (he died May 15th).
4. IRAQ WAR—Congressional Democrats fail to cut off funds to the Iraq war.
5. Home prices hit bottom. The housing market has been in decline for a time now; it hit its lowest point today (thus far).

6. STOCK MARKET—the Dow Jones hit an all time record high today. [*Note—I recognized then that this up trend could also lead to a down trend as well.]

THE NEWSPAPERS OF MAY 16, 2007

7. Fires raging in Florida, Georgia, New Jersey, California and Arizona.
8. Prime Minister Tony Blair arrives in Washington, D.C. to visit President Bush in the White House—his last visit as England's Prime Minister; he resigned office.
9. IRAQ—Search for 3 missing soldiers in Iraq (captured by Al Qaeda). I figure the “Rules of Engagement” (ROE) make our soldiers very vulnerable to the enemy coming up to them and taking them by surprise.
10. WORLD BANK TURMOIL—World Bank President Paul Wolfowitz embroiled in a controversy over promoting his girlfriend in the World Bank organization—the turmoil over this takes its toll. Wolfowitz would resign May 17th.
11. OIL REFINERY CRISIS: Experts say that U.S. and world oil refineries stretched too thin—not only are higher prices coming at the gas pump but there may be gasoline shortages this year. Of course there are no plans to build new refineries nor is Congress doing much about it either. This is a continuation of the judgment that began March 29, 2004.
12. Gold sells at \$673/ounce.
13. GAS PRICES—Government report shows the U.S. families paid \$1,000 more for gas last year (2006) than in 2001.

I gave this detail (noted above) and a bit more in my “Countdown Letter Final #10 dated June 19, 2007 END OF AN OPPORTUNITY.”

What JESUS was pointing out in this way were the “areas” where troubles would surface in the near future, troubles in the Stock Market, with fires*, with gas prices and gold prices among others. [*Note—You might remember the horrific fires that burned California in October of 2007.]

The things that began to happen on May 16, 2007 were quite broad in definition.

Following the Bear Stearns meltdown came the failure of a large bank in California and then several other banks went broke.

Then we came to Fannie Mae and Freddie Mac, two mortgage giants, where you moved to intervene with \$200 Billion to keep them afloat and to stabilize the financial market. Some financial experts are saying that it will take something like \$2 Trillion dollars to bail out Fannie Mae and Freddie Mac. Right on the heels of this disaster came the bankruptcy of Lehman Brothers and Merrill Lynch and then A.I.G., the largest insurance outfit in the world—another bail out.

The corruption, greed, bad loans and dubious dealings over the years have surfaced and threaten to tear down the entire financial and economic stability of this nation. This forced you to call for a \$700

The Staff and The Sword Ministry

Billion bailout (which some are saying will really come to \$2 Trillion)—money we don't have.

What did JESUS say and warn you against on September 7, 2006? [He said this:] **“ . . . AFTER THE TENTH MONTH ON THE 16TH DAY OF THAT MONTH FROM THE TIME OF MY WORD, EVENTS WILL BEGIN TO ACCUMULATE AND SWELL INTO SERIOUS TROUBLES THAT WILL OVERWHELM THE UNITED STATES IN MANY RESPECTS LEADING TO A COLLAPSE IN A VERY SHORT PERIOD OF TIME ON MANY FRONTS AND IN MANY ENDEAVORS. . . ”**

This is what JESUS told me on April 8, 1978, **“WHAT IS BEGUN IN THE NATION IS INVISIBLE TO ALMOST ALL—ECONOMIC JUDGMENT WILL DEEPEN AND COLLAPSE WILL BE SUDDEN. IT WILL DETERIORATE BENEATH STEADILY AT THE FOUNDATIONS, SEVERAL SHOCKS WILL STRIKE BUT APPEARANCES WILL BE MAINTAINED, SUDDENLY EVERYTHING WILL COLLAPSE.”**

However, all this trouble is much more than financial, it also involves the constant battering this nation has taken from storms that have ravaged America from west to east, south to north since the start of this year. The latest hurricanes GUSTAV and IKE have dealt serious deadly and destructive blows to America. It just keeps coming and it is getting stronger, deadlier and more destructive as the days, weeks and months pass.

I remember when the HOLY SPIRIT took me up “In The Spirit” and brought me into the White House on November 14, 1979. I watched and listened as then President Carter talked to his civilian and military advisers about a military operation to rescue the hostages from Tehran, Iran.

The HOLY SPIRIT gave me to know that such a military rescue would fail and that I was to warn President Carter to not attempt it; rather he was to call the nation to pray for God's help in getting the hostages released. I emphasized that if he attempted a rescue that it would fail miserably.

The military operation was undertaken April 25, 1980 and was a complete disaster; our aircraft ran into each other and we left the Iranian desert littered with wreckage and the bodies of 8 Americans killed in those accidents.

President Carter would make a brash statement on April 25, 1980 saying, “No one could have known this would happen!” Wrong Mr. Carter! The letter JESUS had me write him on November 14, 1979 told him the outcome and an alternative approach that would have succeeded without loss of life.

Turned out that the very night the HOLY SPIRIT brought me into the White House “In The Spirit” was the same night they actually started planning this military operation.

NOT A PREDICTION BUT A PROPHETIC UTTERANCE

I was sent into this world with God's Commission and anointing to stand in the gap for this nation, to forewarn you and every president Jesus sent me to since 1977. I've not predicted what would

Letters to the Presidents

happen but forewarned that unless a different course of action were taken it would lead to disaster.

The opportunity to plot a different course for this nation remains open to you, even at this late date. What JESUS would have me say I do not know, will not know until the day you ask for His Counsel.

JESUS has been revealing troubles in the financial area for many years. As often is, He speaks of times ahead and He did so on December 22, 1987. Yes, 21 years ago! That is easy for God but impossible for man.

At the time there was a banking crisis, modest by comparison to what we see today; nonetheless, JESUS often works through “early troubles” to reveal deeper ones coming. This is what He said on December 22, 1987: **“THE BANK CRISIS WILL SOON EXPLODE JOHNEL. MANY MORTGAGES WILL BE ENDANGERED. IN ONE DAY OVER 100 BANKS WILL COLLAPSE. . . .**

THERE IS YET ANOTHER SHOCK TO THE STOCK MARKET, A MAJOR SELL OFF, YET IT WILL COME FROM MANY DIRECTIONS. DOLLAR DECLINATION, RUSSIA [a threat]. . . . GOLD PRICES SURGE WILDLY. . . . DEBTORS DEFAULT. . . . PANIC WILL COME FROM MANY DIRECTIONS. . . . CONGRESS WILL DELAY TO INTERVENE TO BOLSTER THE SYSTEM. THIS WILL TRIGGER MULTIPLE BANKING COLLAPSES.”

I asked JESUS when this would start and He said this: **“IT STARTED OCTOBER 13TH, IT BEGAN OCTOBER 17TH–19TH, THERE IS YET MORE COMING. . . . THERE IS SOUNDNESS IN THE FINANCIAL SYSTEM IN AREAS BUT WANT OF CONFIDENCE, THEN PANIC WILL COLLAPSE EVEN THE SOUND BANKS . . .”**

Of course, when JESUS spoke of October 13th, 17th–9th He spoke of the stock market crash on October 17, 1987.

JESUS plainly spoke of something coming in the future. Does any of His December 22, 1987 Word (above) sound familiar?

On February 8, 1979 JESUS said this: **“BY APRIL YOU WILL SEE ECONOMIC PARALYSIS SUCH AS NEVER SEEN BEFORE.”**

That was one of His “forward looking words”—this is before us even now. Next year?

Perhaps, but at this point in time it is almost inevitable.

On October 18, 1979 JESUS told me this: **“INDEED WATCH DECEMBER 14TH, RUSSIA WILL TRY THIS NATION’S STRENGTH AS NEVER BEFORE . . . INDEED WATCH DECEMBER 14TH, VERY DANGEROUS AND FEAR WILL BE STIRRED IN THE NATION’S HEART . . .”**

Maybe an observation is in order. In 1979, even 1987, Russia was one of 15 Republics that made up the Communist Soviet Union. JESUS here is referring to a sovereign nation. That was a look forward in time. Russia emerged, as you know, into sovereign nationhood in 1991 with the collapse of

the Communist Soviet Union.

Having trouble with Russia today? I told you so in past letters, but then you have the sickness that ensures you will be caught up in judgment and be systematically destroyed. And in that I'm writing to you, the President, I refer to this whole nation: once Christian, once blessed and now under a curse, a nation slated to be removed from the earth, to be obliterated. Why? Solzhenitsyn stated it, "You forgot God."

Are you alone in this? No, but you have your share of the blame and this will be your legacy; the President who destroyed the greatest nation on earth. Fair? Again, you have your share of the blame, a lion's share no less, but not all of it.

However, I'm not writing this letter for your sake. Chances are you won't see it and if you did you would not heed it much less consider the opportunity before you.

The only real hope for America at this point is in seeking God's help and counsel through repentance and prayer. He, the Lord our God, has a solution no one else does. Not even me, I only know who has the answer and He sent me to be a help and counsel. But that time is rapidly closing like a huge steel door that when closed locks with a time lock. The next time that door opens America will be gone, a fading memory in the hearts of those few who remain.

When that door opens again, there will be a people who will listen to the Lord our God, who will seek His counsel and help and who will be restored by His Spirit and His mighty Hand.

So it is for their sake that these letters have come, for whereas you did not take up the opportunities presented to you by the Lord God, they will.

I've been writing you since you were Governor of Texas in 2000 and now we come to the end of the road in this offer of the Counsel of God. Nonetheless, the opportunity for a change in direction remains open to you, but time is running out for this nation.

End of counsel, end of letter. Chuck-JOHNEL.
