PART 6E DISTRIBUTION LIST FOR LETTERS TO PRESIDENT GEORGE W. BUSH (2006)

INTRODUCTION

In addition to just sending letters to President George W. Bush, we also sent out copies of the letters to a variety of government officials and news media people. We also sent copies to Ministry prayer leaders.

The distribution list, of course, changes from time-to-time (as government officials and news media people come and go or change positions). However, to give a flavor of the breadth and depth of the distribution of the letters, we include here the distribution list of government officials and news media people for the President George W. Bush letters as revised in May 2006 (please note this the May 2006 revision of the list, not the current list).

Letters to the Presidents

You may be wondering if we ever received any responses from the government officials or the news media people. We need emphasize that we only very rarely received a "REAL" response from any of these people. If we did get a response, it was (as you may have already guessed) just a form letter.
