RELATIONSHIP

PART 1 PROLOGUE

INTRODUCTION

*In late 1983, the Holy Spirit gave me insights into our make-up as God's children. At that time, I began to write a series of reports discussing these insights—I was led of the Lord Jesus to title these reports the **RELATIONSHIP REPORTS**. Originally, I wrote the reports expressly for the intercessors of the Net of Prayer. Over the years, however, many others have found the reports helpful in their walk with the Lord Jesus.*

Relationship Reports

I have offered the reports in print format for some years, but now I offer the reports here on The Staff and The Sword Ministry's website to any who would like to read them. The reports are reproduced here in their entirety exactly as they appear in their print counterparts with two modifications: (1) the reports as presented here are divided into 15 parts (to accommodate additional prologue and introductory text) and (2) the reports contain some formatting changes to facilitate ease of reading on the web.

While I may update and add to the reports over time (the Lord is continually refining and adding to my insights), I have elected share what I have with you now, rather than delay in posting the reports.

I pray that these reports bring you closer to Jesus in your walk with Him, just as so many others before you. As judgment approaches, our individual relationship with Jesus is crucial.

God bless,

Chuck-JOHNEL
