etc. concerning the *Tiny Star*—in sum, this document is a near-comprehensive report about the *Tiny Star* from 1982 to the present time.

## THE ILLUSTRATION OF THE TINY STAR

The illustration of the *Tiny Star* (on page 1) was originally drawn in late 1982. It appeared in some of the many Calls to Prayer we issued from 1982 and onward. In the Calls to Prayer, we sought prayer for God’s mercy against the coming trouble/disaster associated with the *Tiny Star*. Specifically, we asked Christians to pray for God’s help and mercy in stopping the *Tiny Star* from hitting the earth.
