JANUARY 28, 1983

IN JESUS NAME - PRAY

PART 6 24 YEARS OF REVELATION & COUNTING

INTRODUCTION

Here follows a compilation of now 24-plus years (and still counting!) of revelation regarding the Tiny Star, beginning with the "Faint Vision" of January 20–22, 1991. Make no mistake this compilation contains a lot of material and covers a lot of ground. There are numerous Words, vision, revelations, and insights from Jesus, as well as a host of confirmations both from other Christians and from various news reports that came to my attention over the years. For clarity sake, this compilation is divided into some 33 distinctly numbered sections. Taken together, the 24 Years of Revelation about the Tiny Star is very, very telling record and cannot be dismissed out-of-hand.

The Staff and The Sword Ministry

The Tiny Star: Review & Update

SECTION 1: “FAINT VISION” OF JANUARY 20–22, 1992

I recorded in my notes the heading “*Faint Vision Lasts Few Days (January 20–22, 1992).*” Under that heading I wrote this: “I have seen an asteroid in space hurtling along, which is struck by another asteroid. The one rock first in view is shattered, broken into many pieces by this collision. Some of the larger parts hurtle off and away into deep space, but many other fragments remain and continue moving on, only spaced apart from each other. There are many smaller pieces. I realize that this is one of the asteroids Wormwood set in motion (aimed) at earth, which we have prophetically bound/deflected. It’s as I discerned a month ago: that it is due to the Church Leader’s decisions, due to a lack of the required 300 [intercessors], and that even among the Elect there is not unity and agreement 100% to stop this TINY STAR(s). Also, that even though we stop the BALL OF FIRE which is known as TINY STAR 91 (this is yet to be done), that what I’ve seen in the visions tells me that a shower of objects will fall to earth, likely North America. It will not result in a world-wide disaster, but it’s quite possible a city or two may be totally destroyed or severely damaged by some of these chunks of space rock still coming. What JESUS has told us for years now is that we CAN STOP MUCH IN PRAYER but NOT ALL. This vision tells me that this much is on the way. It may not be afar off, maybe a year or much more. Timing is frankly pretty “iffy”, with no real insight. This is the latest thing revealed, and my first sharing of it to anyone so far. I’ve waited to see if this ‘faint vision’ was a vision and not just a thought. I now know, it’s a vision.”

This was transcribed from the main record of Jesus’ Word of July 30, 2000. Obviously, the broken asteroid seen in this vision is still a time off—to date, I have no firm idea of the timing.

SECTION 2: DOOMSDAY ASTEROID NEWS REPORTS EMERGE

Over the years, Jesus has led me to review various news reports for pertinent information and to save and file the printed articles and news clips as a record of the correlation of actual events with the Words and revelations that Jesus has show me. This has been especially beneficial with respect to the Tiny Star.

News reports of doomsday asteroids emerged with a vengeance in early 1992. I read one such report (dated 3/28/92) with a headline that read “U.S. Can Deal with Doomsday Asteroid.” The article went on to report that the U.S. can deal with killer asteroid through intercept and destruction means. The article also reported the U.S. has the know-how to prevent asteroids from a cataclysmic collision with the earth—and will inevitably have to use it.

The Staff and The Sword Ministry

The Tiny Star: Review & Update

SECTION 3: JESUS' WORD OF NOVEMBER 5, 1992

The following is Jesus' Word to Chuck-JOHNEL on 11/5/92. On that day, I asked Jesus, "Lord Jesus, what of comet coming?" Jesus replied, "**THIS IS THE WHITE GLOWING ONE THAT YOU HAVE AUTHORITY OVER. YET, UNTIL THE 1,000 ARE FOUND I RESTRAIN YOU FROM DEALING WITH IT. WHERE YOU SEE THIS TINY STAR, THIS BEING MY EVIDENCE THAT TWO MORE ARE ALSO ON THE WAY, ONE CLOSER IN THE TIME THAN ANOTHER—BOTH NEAR. . . . BY WHAT IS SEEN THE UNSEEN IS MADE APPARENT . . .**"

At the time, I wondered if what Jesus said is a reference to the comet that hit Jupiter and had been so widely reported during this time. I wondered about the possibility that when we saw the comet hit Jupiter, it may well signify that the other two Tiny Stars were near.

SECTION 4: SCIENCE OF DOOM NEWS REPORTS EMERGE

I read a *Newsweek* article in the 11/23/1992 issue titled: "The Science of Doom." The article detailed scientists' efforts to find and deal with space objects that threaten the earth. The article included a graphic of an asteroid belt and a list of other articles relating to catastrophes facing the earth.

SECTION 5: TINY STAR UPDATE OF DECEMBER 10, 1992

The Staff & The Sword Ministry Report (The Tiny Star Update, December. 10, 1992, pgs. 10–13) contained the following (given here in outline/synopsis form):

Page 10: Includes a short history of the Tiny Star of 1991; shows Roger Augustin's sketch of a Tiny Star coming at the earth (this sketch is included at the top of this page) that matches almost exactly the illustration in a *Newsweek* article.

Page 11: Includes a discussion of the Swift-Tuttle comet, the demon prince (Wormwood, Garamon, and Barjonav) activity with space objects.

Page 12: Contains confirmations/evidences about the seriousness of space objects aimed at the earth; includes a discussion of the asteroid Toutatis that zips past the earth; begins a discussion of the asteroid that hit the earth in 1978.

Page 13: Continues and completes the discussion of the asteroid that hit in 1978; includes a discussion of "God's will and god's will" and the Church decision to loose the Tiny Star.

SECTION 6: COLLISION COURSE NEWS REPORTS EMERGE

I saw a *USA Today* article (date unknown) that had the headline "Odds are, the Earth is on a Calamitous Collision Course."

The Staff and The Sword Ministry

The Tiny Star: Review & Update

SECTION 7: MORE COLLISION COURSE NEWS REPORTS

I saw a *Time* magazine article with the headline, "Collision Course" dated May 23, 1994. The article discussed approaching comet fragments about to hit Jupiter.

SECTION 8: JESUS' WORD OF JULY 26, 1989

Here follows Jesus' Word to Chuck-JOHNEL of July 26, 1989:

"NOW IS A TIME WHEN JUDGMENTS ARE MOVING TO COMPLETION IN EVERY RESPECT, WHEN MERCY THAT HAS WITHSTOOD IN ALL THESE YEARS IS TESTED IN THE RESOLVE OF MY PEOPLE TO ENDURE OR NOT TO ENDURE WHEREBY WHAT WAS WITHSTOOD IS LOOSED. YET ALSO THE OPPORTUNITY WHEREBY THOSE WHO HAVE LOOSED, MIGHT REPENT AND PRAY AND WITHSTAND WHAT THEY HAVE LOOSED.

IN THIS YEAR [please see my note below for more about this], **ALL THIS IS MOVING TO FINAL RESOLUTION UNDER GOD'S LAW, DOT BY DOT, UNTIL ALL IS FULFILLED AND COMPLETED. THEN THE BOUNDARIES OF JUDGMENT AND MERCY ARE FINALLY SET AND ESTABLISHED IN EVERY WISE, AND IN THE SAME YEAR THIS IS DONE, THEN BEGINS THE VERY JUDGMENT ITSELF AND IT IS THEN IRREVERSIBLE. . . .**

IN THE HEAVENS IT EXPLODES IN A FURY, A VIOLENCE REFLECTING WHAT'S BEEN DONE AND SO THE PACE QUICKENS. FIRE IN THE HEAVENS AND FEAR ON EARTH, FOLLOWED BY TERROR AND PANIC AND YET NOT A HAIR OF MY SEALED LAMBS SHALL BE SINGED, NOR SHALL ANY HARM COME TO THEM. FOR THE SAKE OF THOSE WHO ARE MINE, I WILL SPARE MANY AND MUCH. YET TERRIBLE LOSS IS IRREVERSIBLE. IN THE NEXT EIGHT DAYS WATCH THE HEAVENS AND SKIES ABOVE."

CHUCK-JOHNEL's note about the meaning of "IN THIS YEAR": In His July 26, 1989 Word, Jesus made it clear that "IN THIS YEAR" (unknown in 1989) everything connected to judgment would begin moving to "FINAL RESOLUTION". What would determine what year it was? JESUS made it plain that rebellion, Brethren falling to Satan's temptations, and an overall faith failure were all involved, as seen in 1989 with the Lyman Church.

The Staff and The Sword Ministry

The Tiny Star: Review & Update

SECTION 9: 1,000 INTERCESSORS & JESUS, HIS ANGEL AND ME

Seeking and finding the 1,000 intercessors required to pray about the Tiny Star is wholly intertwined with the publication of the book that Jesus has directed me to write, *Jesus, His Angel, and Me*.

Over the years, I have reported on the progress of the book in Ministry Newsletters and in special *Jesus, His Angel, and Me Book Reports*. An outline/synopsis of *Jesus, His Angel, and Me Book Report #12* (8/5/94, pgs. 1–7) follows:

Page 1: Discusses a *USA Today* graphic included in an article that bore the headline “When a comet hit the Earth” (dated 7/22/94). This graphic has the comet hitting the earth in the Calgary area. Note that Jesus had shown me years before that the Tiny Sun would hit near Calgary!

Page 2–3: Contains comments on clear warning signs.

Page 4: Discusses the narrow miss of an asteroid in 1989. Contains Chuck-JOHNEL’s comments on this, including: “At this point, as JESUS warned in 1989, ‘**TERRIBLE LOSS IS IRREVERSIBLE**’, but we must also see; that JESUS said this too, ‘**FOR THE SAKE OF THOSE WHO ARE MINE, I WILL SPARE MANY AND MUCH . . .**’ This tells me we have a clear opportunity to alter the coming judgment, to lessen loss of life, sparing many lives and much property—but it will come now at some level and some of it is irreversible.”

Page 5: Begins a discussion of “When a Comet Hits the Earth” that ties-in the importance of completing the book *Jesus, His, Angel, and Me* and finding the 1,000 intercessors.

Page 6: Continues and finishes the previous discussion; discusses denial in God’s people, leading to a false sense of safety; begins a discussion titled “Jupiter is/was a warning—It’s real & near!!”

Page 7: Discusses the denial that is in God’s people; relates the many “God-incidences aplenty”; shows how big the Tiny Star can be.

Page 12: Contains a note and a question from Jim-RAPHAEL regarding the level of Ministry funding, as well as my analysis of that topic. My analysis, in part, is this: “Basically, support has declined another 70% (monthly average) since the 50% decline. This is WHY JESUS told me to write the book [*Jesus, His, Angel, and Me*]. Once published it would provide a STEADY INCOME with which we could travel and find the 1,000 intercessors. I also perceive that ‘public interest’ in the book, once stirred, would enable us to find the 1,000 intercessors with greater ease. If we had gone out on the road with the promised support of 1991, well . . . it would have been a financial disaster. . . . It may be rightly asked, ‘Is this decline in support for the book giving the enemy opportunity to bring in the TINY STAR 1991?’ Answer: I believe that there is always some leeway or room for variations in support levels; but when we were forced to re-negotiate when support dropped by over 50% in the first few months, and when it stayed ‘gone’, I began to discern that there would be consequences. Some bit of a TINY STAR would hit earth with disastrous certainty. When those who decided for mercy fail to do what they said they would, something gets loosed . . .”

© 2008 (All Rights Reserved)

The Staff and The Sword Ministry

The Tiny Star: Review & Update

SECTION 10: “THE OMNISCIENCE OF THE LORD GOD”

In The Staff & The Sword Ministry Newsletter (8/20/1992, “The Omniscience of the Lord God”, pg. 20), I wrote the heading: “THE OMNISCIENCE OF THE LORD GOD” [this referred to the Shoemaker-Levy 9 comet that hit Jupiter. I went on to write under this heading: “This is one of those special moments when we can see just how ‘all-knowing the Lord God is.’ In 1989, He spoke of what was done that year and what would be done FIVE YEARS LATER, and provided an ‘evident sign to show in the heavens’. But more, He defined that event, that heavenly disaster (for Jupiter), as a violence that REFLECTED what the rebels had loosed, making it clear that this horrific and deadly judgment was now heading for earth and mankind irresistibly. It was NOT KNOWN (in 1989) that a comet would impact with Jupiter. That was discovered only recently. Here JESUS spoke of it by its effect (“**EXPLODES IN A FURY . . . FIRE IN THE HEAVENS**”, JESUS to Chuck-JOHNEL, July 26, 1989). And again, JESUS made it clear that all this was a REFLECTION of the decisions/behavior of His people, His Church, who were also rejecting HIM.”

SECTION 11: TINY STAR ON THE WAY!?!

In The Staff & The Sword Ministry Newsletter (9/24/1922, “TINY STAR ON WAY!?!”, pg. 17), I wrote [note: this a lengthy quote]:

“In the August 22, 1994 Newsletter (“THE WEAPONS OF OUR WARFARE”) on Page 19 (The Jupiter Connection), I made it clear that I discerned/understood the comet that hit Jupiter to be a clear evidence and warning that earth was next to be hit. I stated, ‘It’s on the way!’

Back in January of 1992 I had a faint but persistent vision where I saw a space rock shattered (it was broken apart by some cosmic force). Some of the larger pieces spun off into deep space, others in a cluster of broken bits headed towards earth on a collision course. I knew that a shower of these bits would enter the earth’s atmosphere and fall to the ground leaving a blazing fiery tail in the descent.

Later I saw areas of the North America’s being pelted, ranging from the Midwest to the West Coast. It seemed that a concentration of these bits slammed into California, Oregon, and Washington State. The vision was fleeting and faint but it left enough of an impression to tell me this was a ‘possibility’. Perhaps the vision was ‘fleeting and faint’ because it was not yet a certainty. Perchance it was a ‘maybe’, depending upon what the Church decided or did. I shared this vision in the first book report of January 1992.

The Staff and The Sword Ministry

The Tiny Star: Review & Update

It was JESUS' WORD of 1989 seen in the developments of 1994 (that is, the Auburn Rebellion and Jupiter being hit by a "broken-up" comet) that told me this "broken-up space rock" was now headed towards the earth. Jesus' Word of July 1989 made that plain: '**. . .IN THE HEAVENS IT EXPLODES IN A FURY, A VIOLENCE REFLECTING WHAT'S BEEN DONE [Lyman 1989/Auburn 1994]. . . AND SO THE PACE QUICKENS. FIRE IN THE HEAVENS AND FEAR ON EARTH, FOLLOWED BY TERROR AND PANIC AND YET NOT A HAIR OF MY SEALED LAMBS SHALL BE SINGED, NOR SHALL ANY HARM COME TO THEM. FOR THE SAKE OF THOSE WHO ARE MINE, I WILL SPARE MANY AND MUCH. YET TERRIBLE LOSS IS IRREVERSIBLE. IN THE NEXT EIGHT DAYS WATCH THE HEAVENS AND SKIES ABOVE.**' (Jesus to Chuck-JOHNEL, July 26, 1989—1:00 p.m., Wednesday).

THE JANUARY 1992 VISION. My perspective was from above the earth, as if I were positioned in high orbit over the earth itself. I saw and heard these bits streak into the earth's atmosphere with a 'whooshing sound'. Some sounded like a dull thud as they were much larger and the air seemed to recoil/vibrate or pulsate as they fell to the ground with immense force and speed. From high above it looked like an aerial bombardment. The ground below me was struck with explosions as the bits of space rock either impacted or exploded in the air (could not tell which it was). In some places craters about 50 feet across were made. In other places the craters were huge, and in some places there was hardly any damage. It looked as if a city or two had been blown to bits by the space barrage.

The 1992 vision was faint, almost elusive, but clear enough to leave an impression, one I have not forgotten (though I've not thought about it for two years now). When I recognized what JESUS' WORD of JULY 1989 meant and how it connected to the comet bits colliding with Jupiter this JULY 1994, I remembered the vision of January, 1992. Having stated 'IT'S ON THE WAY' as done in the August 1994 Newsletter, I returned to working on the book [*Jesus, His Angel, and Me*]."

SECTION 12: MORE COLLISON COURSE NEWS REPORTS

I saw a *Reader's Digest* article with the headline "On a Collision Course with Earth" dated August 1996. The article discussed basic issues about asteroids and comets hitting the earth, and the possible options of dealing with them.

SECTION 13: MORE COLLISON COURSE NEWS REPORTS

I saw a *USA Today* article with the headline "Comet Could Equal Millions of Atom Bombs" dated April 17, 1997. Well, the headline says it all!

The Staff and The Sword Ministry

The Tiny Star: Review & Update

SECTION 14: COLLISION STRATEGY NEWS REPORTS EMERGE

I saw news article with the headline “Scientists Work Out Strategies to Blast Earthbound Asteroids” dated June 4, 1998. The article discussed science’s attempts to nudge an asteroid off course or blast it to bits is more complicated than first thought. The article also reported that scientists came up with three scenarios, assuming that a mile-wide asteroid, Castalia (discovered in 1989) is hit by another asteroid that is 50 feet across, approaching at 11,000 mph. The three scenarios were:

1. Assuming that Castalia is solid rock, the impact shatters it, but the pieces stay largely together, with only about 10% blown clear.
2. Assuming Castalia is a pair of rocks separated by rubble, the rock that takes the direct hit is blown to smithereens, but the fragments settle into the other nearly unscathed rock.
3. Assuming Castalia is a conglomeration of large boulders bound by gravity, the impact transfers almost all of its energy to the first boulder it strikes, creating an explosion that barely disturbs the rest of the asteroid.

SECTION 15: MORE COLLISION COURSE NEWS REPORTS

News reports about asteroids, etc. on a collision course with the earth just kept coming. I saw a *Miami Herald* news article with the headline “Cosmic Rocks Ganging Up on Earth” dated Feb. 23, 1999. Some of the points noted in the article included:

- Astronomers guessed there were as many as 2,000 potential asteroid threats out there, but they have found only about 8% of them.
- Scientists said they found some 55 of the would-be killers asteroids, which was more than in the previous six years combined.
- The all-time list of asteroid threats was then at some 163 and growing.
- None of the space objects were expected to hit the earth directly, but many were too close for comfort.
- Asteroids are considered a threat if they are bigger than half a mile wide and are going to come within five million miles of the earth.
- There are millions of other space objects that could cause major disasters, like the 150 foot-wide one that exploded over Tunguska, Siberia, in 1908 and leveled thousands of square miles of forest.

In this single article, scientists’ estimations of the number of space objects on a collision course with the earth ranged from some 2,000 to multiple millions! With those kinds of numbers and that kind of uncertainty, it would not be a surprise to learn that reports of space bodies on REAL COLLISION COURSES with the earth might go unnoticed and unreported until it was too late.

The Staff and The Sword Ministry

The Tiny Star: Review & Update

SECTION 16: INTERCESSOR CONFIRMATION

I received a letter from Net of Prayer Intercessor, Steve Hoelscher in June 2000. The stated, in part: “[In a vision] I saw an asteroid. VERY CLEAR, on July 5, 1999. Trajectory was over Kansas City, going E.N.E. Impact to hit St. Louis? Or, East Coast? I am already praying.”

SECTION 17: “CLOSE CALL” NEWS REPORTS EMERGE

I saw a news article with the headline “Astronomers Didn’t Spot Approaching Asteroid” dated March 21, 2002. The article reported asteroid 2001 TB5 that was some 165 feet across, poised to come within 288,000 miles of the earth (as compared to the moon being 250,000 miles away), and deemed powerful enough to destroy a major city. More, the article noted that the asteroid came from the direction of the sun, making it difficult for astronomers to see and identify. The article termed this one, a “CLOSE CALL.”

SECTION 18: “KILLER ASTEROID” NEWS REPORTS EMERGE

I saw a CNN Sci-Tech website news article with the headline “Earth Escapes Brush with Killer Asteroid” dated January 7, 2002. This article reported on 2 different asteroids that were near-misses, but that could approach the earth in 2027 again on even closes paths.

SECTION 19: MORE “CLOSE SHAVE” NEWS REPORTS

I saw a Spacedaily.com news article with the headline “Asteroid Gives Earth Closest Shave in Years” dated June 20, 2002. The article reported on asteroid 2002 MN that was about the size of a soccer field and had a “CLOSE SHAVE” with respect to hitting the earth. Scientists reported that the asteroid, if it hit the earth, would have the force of a 10-megaton blast.

SECTION 20: “MASSIVE ASTEROID” NEWS REPORTS EMERGE

I saw a Reuters news dated July 24, 2002. The article reported that a “MASSIVE ASTEROID” has been recently discovered that could hit the earth in some 17 years and having the capacity to destroy all life as we know it. This was identified as asteroid 2002 NT7.

SECTION 21: MORE : “CLOSE SHAVE” NEWS REPORTS

I saw a NewScientist.com news article with the headline “Closest Asteroid yet flies past Earth” dated October 3, 2003. The article reported that an asteroid the size of a small house came within 55,000 miles of earth on 9/27/03. Asteroid 2003 SO222 came from INSIDE the earth’s orbit and was only spotted AFTER it flew by the earth!

The Staff and The Sword Ministry

The Tiny Star: Review & Update

SECTION 22: JESUS' WORD OF JANUARY 7, 2003

In the Ministry's Sealing/TINY STAR Report (November 2003, pg. 5), I recorded Jesus' Word of January 7, 2003: "I had an inclination and interest to read Ezekiel Chapter 10:2 [note: Nancy-TONI discerns that the 'FIRE' of Ezekiel 10 is THE TINY STAR and like is a broken asteroid] concerning the 'fire', and while pondering this JESUS spoke to me at 8:14 am saying, **'IT IS NOT YET TIME TO FILL YOUR HANDS WITH FIRE. THERE IS A FINAL DECISION TO BE MADE AND YOU WILL CALL THE 9 MINISTERS TO PRAY ABOUT THE TINY STAR, EVEN THE SAME AS IN 1991, BUT NOT ALL. THAT FINAL DECISION SETS THE STAGE FOR THE JUDGMENTS. I WILL LEAD YOU THEN. ABIDE.'**

Ezekiel 10:2 reads: "And He spake unto the man clothed with linen, and said, **Go in between the wheels, even under the cherub, and fill thine hand with coals of fire from between the cherubims, and scatter them over the city. And he went in my sight.**"

SECTION 23: JESUS' WORD OF OCTOBER 9, 2003

In the Ministry's Sealing/TINY STAR Report (November 2003, pg. 6): I recorded and commented on Jesus' Word of October 9, 2003:

"THE FIRST WEEK OF NOVEMBER, WRITE 9 CHURCH LEADERS, SOME OF THOSE WRITTEN IN 1991 AND ALSO SELECT THREE [see my note below] FROM THE PASTORS IN SPOKANE, ONE ANGLICAN, ONE LUTHERAN, ONE ROMAN CATHOLIC AND ONE BAPTIST. WRITE PRESIDENT BUSH IN THE NEXT FIVE DAYS. ADDRESS REVELATIONS CONCERNING STATE DEPARTMENT, CIA TROUBLES. HE WILL NOT RESPOND BUT SOMEONE NEAR TO HIM WILL SEE THIS LETTER'

[Chuck-JOHNEL's note]: Note: In 1991, JESUS had me select TEN Church Leaders but take one as the Lord's tithe, meaning this Church Leader would not be asked to decide and was representative of the 10% portion of the Church body that will be spared in the judgments. Thus the Lord JESUS had me pick four Church Leaders from Spokane this 2003 and to select three of the four to ask to decide about repenting/praying concerning the TINY STAR.

I wrote the letter from November 3-6, 2003 and mailed it on November 6, 2003. JESUS revealed that the deadline for a response is **'NOVEMBER 26, 2003.'**

JESUS also revealed that if **'One Church Leader'** responds positively (repents/prays and calls for repentance and prayer) it would defer the TINY STAR one year. If **'Two Church Leaders'**

The Staff and The Sword Ministry

The Tiny Star: Review & Update

responded positively, then two years deferment. If all 9 responded positively the TINY STAR would be cancelled. As JESUS made it clear on January 7, 2003—‘**THAT FINAL DECISION SETS THE STAGE FOR THE JUDGMENTS**’, I understand that the full fury of judgments has been deferred or contained because of this final decision waiting in the wings. Also because of a mercy time to write new prayers.”

SECTION 24: METEORITE STRIKE NEWS REPORTS EMERGE

I reported in The Staff & The Sword Ministry Newsletter (11/12/03, “We Had Other Watch Dates, These Being. . .” the following report of an actual asteroid strike: “October 12/13, 2003 (next 30th day). The **key event was a terrorist suicide attack in Baghdad** aimed at the Baghdad Hotel killing 7, hurting 25. Also, **a Meteorite fell on a house**, smashed through the roof, pulverized a bedroom and obliterated a powder room downstairs in New Orleans, Louisiana. This was recognized as yet another “Tiny Star” event.”

SECTION 25: MORE “MASSIVE ASTEROID” NEWS REPORTS

I saw a Reuters news article dated 9/2/03 that reported on asteroid 2003 QQ47. The asteroid was reported to have a potential strike date of March 21, 2014 and was massive in size. It was report that if it hit the earth it would have the effect of 20 million Hiroshima atomic bombs.

SECTION 26: JESUS’ WORD OF NOVEMBER 5, 2003

Jesus’ Word to Chuck-JOHNEL on November 5, 2003. I wrote in my notes the following: “Getting washed up after a night of fever, working on the letter to the 9 Church Leaders. Last night was led to get the address of Paul Crouch of TBN and today, this morning, to get the name of the Pastor of Salem Lutheran Church in Spokane. I was pondering ‘what if’ one or more Church Leaders replied positively. JESUS spoke to me at 2 p.m. saying, **‘IF ONE REPLIES IN A POSITIVE MANNER THE TINY STAR JUDGMENT WILL BE DEFERRED ONE YEAR, IF TWO RESPOND POSITIVELY IT WILL BE TWO YEARS, BUT IT WILL TAKE ALL NINE TO RESPOND POSITIVELY TO CANCEL THE TINY STARS. HOWEVER, UNDERSTAND THAT THEIR DECISION DETERMINES THE TINY STAR JUDGMENTS AND HAS NO EFFECT ON THE JUDGMENTS LOOSED IN 2001, THESE ARE PARTLY RESTRAINED BY THE FACT THAT THIS TINY STAR DECISION NEED BE MADE, BUT YEA OR NAY THE JUDGMENT WILL MOVE AHEAD ONCE THEIR DECISION IS MADE, EVEN AS I TOLD YOU IN 1989.**”

The Staff and The Sword Ministry

The Tiny Star: Review & Update

SECTION 27: THE WORK AHEAD OF US

There remains A LOT OF WORK AHEAD OF US. The following lengthy quotes are taken from the Sealing/TINY STAR Report (November 2003, pgs. 7–9):

MY COMMENTARY: “. . . JESUS was addressing the issue of the 9 Church Leaders and their decision concerning the Tiny Stars and He spelled out the effect their decisions would have on the general judgments loosed in 2001. Knowing the general disposition of Church Leaders about JESUS’ Word and how they respond to His Word I need be more prepared for a 9 ‘no’ decisions than 9 ‘yes’ decisions (though I’d welcome being surprised). But let us say that we reach November 26 and it is 9 ‘no’s—what then? I will wait on the Lord and not presume to do anything until He tells me to do or not do. However, I’m very aware that I have the anointing and authority in Christ to move IN THE SPIRIT and to go between the wheels, even under the cherub and to fill my hand with coals of fire and then to scatter them over the city which I perceive would represent the United States in greater measure. This action would represent the decision of Church Leaders to loose the TINY STAR on the earth just as ‘STANDING ASIDE’ July of 2001 represented the Church Leader’s decisions to reject JESUS’ call to repentance and prayer—and that loosed judgment which began with September 11, 2001 as we anticipated. Also, JESUS told me years ago that He would arrange to have the book (*JESUS, HIS ANGEL, AND ME*) published and that from the time of publication we would have one year to find 1,000 Christian intercessors who would devote themselves to prayer by faith to withstand the TINY STAR of 1991 (the comet). We have been praying about the TINY STAR for years but that prayer has two dimensions. The Church Leaders have authority to ‘loose’ or ‘bind’ one TINY STAR (the broken asteroid) and also the TINY STAR of 1991 (the comet). If they ‘loose’, we may find the 1,000 to stop the TINY STAR of 1991 but NOT the broken asteroid. We can only gain mercy through prayer and lessen loss of life when it hits the earth but we cannot stop it.”

MY ILLUSTRATION: I included the following sketch of the Tiny Star in the Report:

The Staff and The Sword Ministry

The Tiny Star: Review & Update

I also wrote the following about the sketch in the Report: “This is a depiction of the TINY STAR (the shattered asteroid) that is drifting through space on a collision course with earth. The asteroid (top sketch) was shattered into bits when struck by another asteroid (in answer to Net of Prayer prayers years ago). The debris field is 12 miles in length and the smaller chunks shown here are the size of football fields. The three main hunks of rock are huge, any of these could destroy a nation the size of France. These will hit the earth over an 8 day period starting with impacts in Europe then ranging from there across the Atlantic to the U.S. (East to West coast). When I first saw this huge asteroid it looked coal black, dull, and hardly reflecting light which tells me it will not be seen until it is upon us. ‘The COMET’ is about 7–8 miles across, consisting of a congealed mass of rock, ore, and ice which is blended with many different gasses. This is a highly volatile chunk of frozen space debris. This is the one we will stop when we find the 1,000 intercessors. It would set mankind back to the dark ages, killing off most of man and leaving the earth a desolate wilderness for generations to come.”

JESUS’ WORD OF NOVEMBER 6, 2003: I then recorded Jesus’ Word of November 6, 2003 in the Report: “**THESE CHURCH LEADERS HAVE 20 DAYS FROM THE TIME YOU MAIL THE LETTERS WITHIN WHICH THEY MAY RESPOND. AFTER 20 DAYS THEIR DECISION IS KNOWN—NO RESPONSE IS A NO.**”

That comes out to November 26, 2003 as the deadline.

JULY 1994: COMET SLAMS JUPITER: JESUS spoke of a “like event” in His July 1989 Word; which we recognized was a warning pattern that also confirmed His Word.

ASTRONOMERS MAKE PLANS: In 1982, when JESUS gave me the vision of the TINY STAR coming at the earth, He also shewed me that scientists and governments would work to deflect the object using nuclear-tipped missiles, which He also shewed me would fail. However, in 1982 the scientific community did NOT believe the earth could face a catastrophic impact from outer space nor did they have any plans to send nuclear-tipped missiles to destroy such an object. The impact of the Shoemaker-Levy Comet hitting Jupiter resulted in a sudden shift in astronomical thinking. Today they are watching the skies and they are thinking about how they might stop such an object, as JESUS shewed me they’d be doing back in 1982, 12 years earlier.”

24 YEARS of REVELATION & COUNTING: I then wrote about the 24 years of revelation on the Tiny Star: “From 1979 the Lord JESUS began giving me revelation concerning the TINY STAR but it was not until 1982 that He completed the progressive revelation and made it plain that it was

The Staff and The Sword Ministry

The Tiny Star: Review & Update

an object coming from outer space at the earth—something that could only be stopped by prayer by faith by His people. “This year (2003) marks 24 years of God’s revelation and events that tie into His Word and warning about a TINY STAR – it is well beyond a momentary idea. In the years I’ve walked with JESUS, it has become evident that judgments are running in 12 year cycles. In this case the DECISIONS made back in 1991 are about to be made again and they will be final DECISIONS. Depending on the response of those asked to call for repentance and prayer will determine whether or not these TINY STARS head our way or not. “I do not say this is a light matter. It is very serious and nothing to take lightly. I pray you take it seriously and act by faith. God bless.”

As I now update this Review & Update, it is now late 2008—it is 24-plus years and still counting!

SECTION 28: JESUS’ WORD OF NOVEMBER 29, 2003

Here follows my record of Jesus’ Word of November 29, 2003: “Nancy-TONI and I are talking about what we might do seeing the Church decision has 100% rejected JESUS’ Word and Call to repent/prayer about the TINY STAR. I seem to know that the Lord would have us stand aside or loose the TINY STARS. Unclear, but I know it involves moving ‘In the Spirit’ and going in-between the cherubim to receive the fire. Then I know by the Spirit of God and the Spirit begins to move.”

Jesus said, **“JOHNEL, YOU ARE TO WAIT UNTIL JANUARY 14TH 2004, AND THEN BEGIN TO PRAY DAILY AND FAST DAILY OF SWEETS AND MEATS UNTIL THE MORNING OF JANUARY 21ST 2004, AT WHICH TIME YOU WILL BE DRAWN TO THE MOUNT OF THE MOST HIGH GOD AND THERE YOU WILL BE INSTRUCTED AND SHEWN WHAT TO DO.**

KEEP YOUR FOCUS IN PRAYER ON ME BEING YIELDED TO DO ALL MY WILL WITHOUT RESTRAINT.

YOU ARE TO WRITE A BRIEF LETTER TO THE NINE CHURCH LEADERS TO WHOM YOU SENT THE TINY STAR LETTER AND INFORM THEM OF THE DECISION THEY HAVE MADE COLLECTIVELY AND THAT THEY HAVE UNTIL JANUARY 21ST TO REPENT AFTER WHICH THE TINY STARS WILL BE LOOSED, MORE, THEY WILL BE Poured OUT ON THIS WORLD AND ON THE SIN OF UNBELIEF, THIS BEING THE CONSEQUENCES OF UNBELIEF.

MY PATIENCE WITH THIS GENERATION IS ENDED EVEN AS I TOLD YOU.

The Staff and The Sword Ministry

The Tiny Star: Review & Update

INDEED, BY UNBELIEF THEY HAVE LOOSED ON THEMSELVES THE SENTENCE OF DEATH.

UNDERSTAND, JOHNEL, THIS HAS NOTHING TO DO WITH YOU THOUGH THEY MIGHT SAY SO, IT HAS TO DO WITH AN UTTER REBELLION WORKING IN MY PEOPLE THAT RESISTS MY LORDSHIP AND FIGHTS MY DOMINION OVER MY OWN CHURCH. THEY HAVE BEEN INVITED TO THE WEDDING FEAST THROUGH YOU, MY REPRESENTATIVE, AND THEY WERE TOO BUSY, SOME HAVE ABUSED YOU, SOME WOULD DO YOU HARM BUT I DISALLOW THAT AND WILL RECOMPENSE ACCORDINGLY.

TOUCH NOT MY PROPHETS AND DO MY SERVANTS NO HARM. THE WISE WOULD TAKE THIS TO HEART AND ABIDE IN MY WORD AND RESPECT MY INTENT. THEY DO NEITHER. I WILL LEAD YOU IN WHAT YOU WRITE. ABIDE.”

I then asked this, “When, Lord, am I to write these Church Leaders?” and Jesus replied **“THIS SUNDAY AND MAIL THIS OUT ON MONDAY.”**

SECTION 29: LETTERS TO THE NINE CHURCH LEADERS

Just as Jesus asked me, I wrote letters to the nine church leaders, titled “Letter to the 9 Church Leaders, ‘THE TINY STAR DECISION’ November 30, 2003. The nine church leaders were:

- *Rev. Jerry Falwell*
- *Rev. James Robertson*
- *Father Brian*
- *Rev. Paul Crouch*
- *Rev. David Flowerew*
- *Rev. Jimmu Swaggart*
- *Pastor William Anker*
- *Rev. Pat Robertson*
- *Pastor Thomas Sledner*

The following is the text of my letter to the nine Church leaders:

[QUOTE] On Jesus’ leading and instruction I wrote to each of you (noted above) earlier this November and sent along reports concerning the TINY STAR, and asked that you call for repentance and prayer to withstand these objects coming at the earth from outer space.

The Staff and The Sword Ministry

The Tiny Star: Review & Update

JESUS qualified that there was a deadline of November 26, 2003. Failing to respond in a positive manner by this date would be received as a rejection of JESUS' Word and call.

November 26, 2003 came and went with no response of a positive nature and beyond a confirmation by Pat Robertson's staff member of having received my letter, there was no indication of a call to repent and pray. Thus it is recognized to be a 100% rejection of JESUS' Word.

“THESE CHURCH LEADERS HAVE (A TIME) WITHIN WHICH THEY MAY RESPOND. AFTER (November 26, 2003) THEIR DECISION IS KNOWN—NO RESPONSE IS A NO.”
(JESUS to Chuck-JOHNEL on November 6, 2003)

Your decision to not respond in a positive way to this matter is identical to the Church Leaders' decision back in 1991. Thus it is doubled and set as given in Genesis 41:32.

Yesterday, November 29, 2003, JESUS spoke to me concerning the TINY STARS and your decision saying this: “. . . **YOU ARE TO WAIT UNTIL JANUARY 14, 2004 AND THEN BEGIN TO PRAY AND FAST DAILY. . . . UNTIL THE MORNING OF JANUARY 21, 2004 AT WHICH TIME YOU WILL BE DRAWN TO THE MOUNT OF THE MOST HIGH GOD AND THERE YOU WILL BE INSTRUCTED AND SHEWN WHAT TO DO. . . . YOU ARE TO WRITE A BRIEF LETTER TO THE NINE CHURCH LEADERS TO WHOM YOU SENT THE TINY STAR LETTER AND INFORM THEM OF THE DECISION THEY HAVE MADE COLLECTIVELY AND THAT THEY HAVE UNTIL JANUARY 21ST TO REPENT, AFTER WHICH THE TINY STARS WILL BE LOOSED . . . MAIL THIS OUT MONDAY.**” *(JESUS' Word to Chuck-JOHNEL, November 29, 2003, 7:15 PM)*

Understanding that the Clock is Ticking

Back in 1991, after that the 9 Church Leaders of that time did NOT respond to JESUS' Word and call to pray about the TINY STARS He had me send a second letter in 1991 calling these same to repent. Now He is extending to you a second chance, a God-given opportunity to repent and escape what has been set in motion.

I have walked with JESUS as His prophet since 1969, 34 years, and I have learned what this kind of revelation means in real terms. A “judgment clock” has been set in motion by your collective decision of November 26, 2003 to not respond to His Word and call repent to pray.

In the years and time since 1991 when He revealed these two TINY STARS, He has held them back

The Staff and The Sword Ministry

The Tiny Star: Review & Update

waiting on the decision of His Church, whom you represent, to decide between certain death and life, to determine either destruction or salvation for multitudes on earth.

Between the two decisions of 1991 and the one of November 26, 2003, it is one for death and destruction—this final opportunity to change the outcome in this final decision is now in your hands.

These TINY STARS are not at this time 'loosed' but held back as they have been since 1991. The clock is ticking and from what I understand, January 21st the Lord God will have me fulfill what is given in Ezekiel 10:2, which will be to loose these TINY STARS—meaning they will begin heading towards earth and will no longer be held back.

REFLECTING ON A PAST CHURCH DECISION

From 1979 to 2001, the Lord JESUS CHRIST has had me call His Church to pray to withstand judgments. From 1989 to 2001, the decision was to soundly and 100% reject His Word and Call. It culminated (Genesis 41:32) on July 28, 2001 when JESUS had us take the Staff and to prophetically stand-aside according to the church leaders' decision. From what JESUS had told me since 1980 such a decision would loose certain death and destruction and so I issued in our Newsletter the outcome of the decision and that after August 28, 2001 we would see a catastrophic event, buildings collapsing and multitudes crushed to death. In August 14, 1979 JESUS had told me that **SEPTEMBER 11TH** was "**MOST TERRIBLE**" and that "**TERROR WAS NOT AFAR OFF.**"

On September 11, 2001 3,000 Americans perished in the collapsing World Trade Center buildings and in the Pentagon in a terrorist attack which set our nation off to war, a war that continues to expand and grow deadlier. We KNOW it sprang from the Church Decision to reject JESUS' Word and call to prayer.

The decision is yours in this final round of church leadership deciding what will be loosed or not loosed in regards to a broken asteroid and comet soon to be loosed and to hit this earth.

When? I don't know, but I do know that past January 21, 2004 they will be loosed and heading our way according to God's timetable.

I pray you take this to heart and to the Lord in prayer. God bless.

The Tiny Star: Review & Update

SECTION 30: JESUS' WORD OF DECEMBER, 1, 2003

Here is my record of Jesus' Word of December 1, 2003 (Monday, 11:20 a.m.):

"[I asked Jesus,] 'Lord JESUS, what if one or more of the 9 Church Leaders writes back asking questions?'"

[Jesus replied,] **'THEN ANSWER AS YOU ARE ABLE OR SEEK ME FOR THE RESPONSE TO BE GIVEN THEM.'**

'Lord, what if one or more of the 9 Pastors repents?'

'UNDERSTAND JOHNEL, THAT THEIR DECISION BY NOVEMBER 26, 2003 HAS UNLEASHED THE TINY STARS. THAT IS DONE. WE EXTEND TO THEM THE OPPORTUNITY TO ESCAPE THE CONSEQUENCES FOR THEMSELVES AND THOSE WHOM THEY REPRESENT WHICH WOULD BE A DIMINISHING OF THE IMPACT OF THE TINY STAR.

SHOULD ALL 9 REPENT, THEN THE TINY STARS COULD BE CANCELED, HOWEVER NOTHING LESS THAN NINE REPENTING IS REQUIRED.

SO WE HAVE EXTENDED THEM A TIME WITHIN WHICH THEY MIGHT REPENT OF THEIR DECISION.

THE LETTER THAT YOU HAVE WRITTEN IS MORE THAN SUFFICIENT TO EXTEND THE OPPORTUNITY.

THAT YOU KNOW, IF YOU DO NOT HEAR BACK FROM ANY OF THE NINE BY DECEMBER 15, 2003 THEN THEY ARE DECIDED AS THEY DECIDED BY NOVEMBER 26TH.

'Will I hear from any of the nine?'

'THIS IS THEIR DECISION, ONE YOU WILL WAIT TO RECEIVE EITHER BY A RESPONSE OR BY NO RESPONSE.'"

The Staff and The Sword Ministry

The Tiny Star: Review & Update

SECTION 31: THE WRATH OF GOD

I wrote the following in the Ministry's February 20, 2004 Newsletter ("It's Done!", pg. 12):

"Thus I can project with a degree of certainty:

In 2009 the WRATH OF GOD will surface in this world!

We now have some insight into what the Wrath of God will be like—JESUS' WORD of July 26, 1989 which partly defines it as: ". . . **DROUGHT AND HEAT, SEVERE COLD AND RAGING WEATHER. . . THE NATION WILL NOW ENDURE FIVE JUDGMENTS. . . IN THE HEAVENS IT EXPLODES IN A FURY, A VIOLENCE REFLECTING WHAT HAS BEEN DONE, AND SO THE PACE QUICKENS. FIRE IN THE HEAVENS AND FEAR ON EARTH, FOLLOWED BY TERROR AND PANIC. . . TERRIBLE LOSS IS IRREVERSIBLE. . . IN THE NEXT EIGHT DAYS WATCH THE HEAVEN AND SKIES ABOVE . . .**"

July 26 to August 2/3, (Year Unknown) for TINY STAR (#8?). When you compare what we do know now (Word above) with what was revealed on the Mount of the Most High God in August of 1977 (see pages 2–4 of this Newsletter) you will find a lot of similes. In 1977 we were called to pray and fast six days and were drawn up to the Mount of the Most High God on the 7th—identical events this 2004. The Staff was involved in both cases; the Wrath of God was evident in both cases. There is a lot to consider here. This is another reason why we are praying and fasting at this time. No question that JESUS may have defined the Wrath of God over the years in other places, but this much is in view at this time."

SECTION 32: MORE "CLOSE SHAVE" NEWS REPORTS

I saw a news article on WorldNetDaily.com with the headline, "Earth was Minutes from Asteroid Alert" dated February 25, 2004. The article reported another "CLOSE SHAVE" in which astronomers were within minutes of alerting President Bush about a possibly devastating asteroid they believed had a 25 percent chance of striking the earth, The report was about asteroid 2004 ASI. The asteroid was huge, but eventually passed well away from the earth. The astronomers were fearful that a FALSE ALARM would bring ridicule on their profession.

SECTION 33: TINY STAR ILLUSTRATIONS MATCH!

I saw a *Time* magazine news article with the headline "COLLISION COURSE" and dated May 23, 1994 reported that Jupiter is about to be hit by a huge comet. The article went to warn that such a cataclysmic explosion on Jupiter should serve as a warning to the earth.

The Staff and The Sword Ministry

The Tiny Star: Review & Update

Uniquely, the illustration used on the cover of the May 23, 1994 *Time* magazine cover was virtually identical to the sketch that Roger Augustin now some years back and has been featured at the top of each section of this Review and Update. I include Roger's sketch again here:
