IN JESUS NAME - PRAY

PART 7 THE 1,000 INTERCESSORS & THE BOOK: *JESUS, HIS ANGEL, AND ME*

INTRODUCTION

*In the previous sections of The Tiny Star: Review & Update, I have discussed the need to seek and find the 1,000 intercessors to pray about the Tiny Sun as well as the interrelationship between the 1,000 intercessors and the writing and eventual publication of the book, **Jesus, His Angel, and Me**. This section specifically focuses on the importance of this and what remains to be accomplished.*

The Tiny Star: Review & Update

The 1,000 INTERCESSORS

My observations and comments on this whole matter as of September 2008 follows here.

The failure of the Christian leaders to respond and pray by the deadline of November 26, 2003 loosed TWO TINY STARS. The first TINY STAR cannot be stopped. But, the second TINY STAR can be stopped.

Make no mistake here: the second Tiny Star—the shattered asteroid which will hit the earth like a shotgun blast—is now inevitable. ***It is on the way!***

The second Tiny Star is behind the first Tiny Star. The second Tiny Star is that dull white ball that Jesus showed us. Unlike the first Tiny Star, ***the second Tiny Star can be stopped when Jesus moves me to find the 1,000 Christian intercessors*** who are willing to pray for three months to prevent it from hitting the earth. If we do not find those 1,000 prayer warriors, then the second Tiny Star will slam into the earth and cause catastrophic destruction world-wide.

THE BOOK: ***JESUS, HIS ANGEL, AND ME***

As noted previously, seeking and finding the 1,000 intercessors required to pray about the Tiny Star is wholly intertwined with the publication of the book that Jesus has directed me to write, ***Jesus, His Angel, and Me.***

The Tiny Star: Review & Update

Over the years, I have reported on the progress of the book in Ministry Newsletters and in special *Jesus, His Angel, and Me* Book Reports. An outline/synopsis of *Jesus, His Angel, and Me* Book Report #12 (August. 5, 1994, pgs. 1–7) follows:

Page 1: Discusses a *USA Today* graphic of included in an article with the headline “When a Comet Hit the Earth” (dated 7/22/94). This graphic has the comet hitting the earth in the Calgary area. Note that Jesus had shown me year before that the Tiny Sun would hit near Calgary!

Page 2–3: Contains comments on clear warning signs.

Page 4: Discusses the narrow miss of an asteroid in 1989. Contains Chuck-JOHNEL’s comments on this, including: “At this point, as JESUS warned in 1989, ‘**TERRIBLE LOSS IS IRREVERSIBLE**’, but we must also see; that **JESUS** said this too, ‘**FOR THE SAKE OF THOSE WHO ARE MINE, I WILL SPARE MANY AND MUCH . . .**’ This tells me we have a clear opportunity to alter the coming judgment, to lessen loss of life, sparing many lives and much property—but it will come now at some level and some of it is irreversible.”

Page 5: Begins a discussion of “When a comet hits the Earth” that ties-in the importance of completing the book *Jesus, His, Angel, and Me* and finding the 1,000 intercessors.

Page 6: Continues and finishes the previous discussion; discusses denial in God’s people, leading to a false sense of safety; begins a discussion titled “Jupiter is/was a warning—It’s real & near!!”

Page 7: Discusses the denial that is in God’s people; relates the many “God-incidences aplenty”; shows how big the Tiny Star can be.

Page 12: Contains a note and a question from Jim-RAPHAEL regarding the level of Ministry funding, as well as my analysis of that topic. My analysis, in part, is this: “Basically, support has declined another 70% (monthly average) since the 50% decline. This is **WHY JESUS** told me to write the book [*Jesus, His, Angel, and Me*]. Once published it would provide a **STEADY INCOME** with which we could travel and find the 1,000 intercessors. I also perceive that ‘public interest’ in the book, once stirred, would enable us to find the 1,000 intercessors with greater ease. If we had gone out on the road with the promised support of 1991, well . . . it would have been a financial disaster. . . . It may be rightly asked, ‘Is this decline in support for the book giving the enemy opportunity to bring in the TINY STAR 1991?’ Answer: I believe that there is always some leeway or room for variations in support levels; but when we were forced to re-negotiate when support dropped by over 50% in the first few months, and when it stayed ‘gone’, I began to discern that there would be consequences. Some bit of a TINY STAR would hit earth with disastrous certainty. When those who decided for mercy fail to do what they said they would, something gets loosed . . .

The Tiny Star: Review & Update

THE CURRENT STATUS OF THINGS

To date (November 6, 2008), we are in the final stages of completing all that is required to publish the book, *Jesus, His, Angel, and Me*. We do not, however, have in-hand a firm publication date. Watch this website for more information about the publication—a publication announcement will be included on the 1,000 INTERCESSORS page as soon as the book is ready for purchase.

However, it must be noted that, to date, ***Jesus HAS NOT yet sent us out to find the 1,000 Intercessors.***
