PART 1 PROLOGUE

INTRODUCTION

The TIMING OF JUDGMENT is a very important subject: it is complex and it can also be especially confusing.

What I present here is essentially a condensed written report, based on a presentation of what I have come to call THE CHURCH DECISION.

Make no mistake, I cover a lot of ground here in this report. Yet, here, I have only scratched the surface of a very complex subject. I anticipate that, after reading this report, you may well want to know more. If you do want a more in-depth study of this subject, then check the MORE INFO page.
