### PART 1 PROLOGUE

#### INTRODUCTION

*The Lord Jesus twice called upon me to quite literally WALK WITH HIM. This section consists of three documents that detail the TWO WALKS (the Three Day & Three Night Walk and the Thirty-Day Journey) and their revelation of judgment “EVENTS” revealed on the heels of the Thirty-Day Journey.*

*All three of the documents in this section concern **JUDGMENT ON AMERICA**. You can navigate between the three documents by returning to the WALKING WITH JESUS main page and clicking on the clickable links on that page. There are no clickable links on this page.*

*Here follows a brief description of the three documents . . .*

#### **THE THREE DAY & THREE NIGHT WALK (September 9, 1976 to September 11, 1976)**

In 1976, Jesus asked me (Chuck-JOHNEL) and another brother in Christ (Cliff Collins) to cut A STAFF from a local woods and then to walk three days and three nights through Chicago, Illinois on foot. We were to begin this walk at the door of Trinity Lutheran Church in Des Plaines, Illinois (just north

of Chicago) and continue on to walk through the city of Chicago. We were to end this walk where we began it at Trinity Lutheran Church. The Three Day and Three Night Walk through Chicago took place from September 9, 1976 through September 11, 1976.

## THE THIRTY-DAY JOURNEY

**(March 10, 1977 to April 8, 1977)**

Jesus called us (that is, myself, Chuck-JOHNEL, and another brother in Christ, Cliff Collins) to undertake a journey of thirty days, walking from Trinity Lutheran Church, in Des Plaines, Illinois to Washington, D.C. We eventually came to call this journey *The Thirty-Day Journey*, although in our records, written reports and newsletters, and cassette tape reports, we referred to The Thirty-Day Journey variously as: the 30 day journey, the journey, the 30 days, the journey to Washington, etc.

The Thirty-Day Journey had several purposes:

- (1) To warn the Church of coming judgment with a call to repent and to pray.
- (2) To anoint a man that Jesus referred to as “THE LEADER OF THE LAND”—one who would lead a revolt against and overthrow occupying armies to free America at the end of 7 years of occupation.
- (3) To give then President Carter Jesus’ Word.

We undertook The Thirty-Day Journey on foot with the Staff starting on March 10, 1977 from Trinity Lutheran Church in Des Plaines, Illinois. We completed The Thirty Day Journey in Washington, D.C. on April 8, 1977.

## AFTER THE THIRTY-DAY JOURNEY

**Judgement “Events”**

**(Jesus’ Word & Revelation of April 21, 1977)**

Although the actual WALKING part of the Thirty-Day Journey came to an end on April 8, 1977, the impact and the out-working of the journey did not come to an end. To the contrary, Jesus had much more to tell me and to reveal to me. . . .

On April 21, 1977, after morning prayers, the Lord by the Holy Spirit began to speak to me. After awhile, I was led to pray and read the Bible. After that, I was led by the Holy Spirit to **LISTEN TO THE LORD.**

As I listened, I noticed that Jesus spoke to me in a gentle, loving voice. He told me to make notes as He spoke to me. So, I got some paper and a pen. Then, I settled down and began writing, just as the Lord Jesus spoke to my heart. This section details what the Lord shewed my that day.
